## EDUCATION

---

### Brigham Young University

Graduating in Latin American Studies in August 2021. My coursework included upper level Spanish and Portuguese classes as well as in depth history of Latin America. I also participated in performing arts and national guard service.

### University of Utah Full Stack Web Developer Bootcamp

Learned numerous technologies [insert more]

## WORK EXPERIENCE

---

### Utah State Spanish Linguist

January 2016 – January 2018

I translated evidence material for various law enforcement agencies from Spanish to English and transcribed audio recordings into court-ready transcripts.

### Army National Guard Combat Engineer

March 2013 – March 2019

I worked with explosives to breach obstacles, heavy construction equipment to create obstacles, and specialized in various weapon systems to support operations.

### Church of Jesus Christ of Latter Day Saints Missionary in Paraguay

October 2009 – October 2012

I lived in remote parts of Paraguay teaching about the church and
